10 **My open statement: Pleading for Federal Indians Bill of Right {28. U.S.C. & 1360 Codes.}**

11 (On day of April 16,2019)

12 Apporximately at 3:50 pm

13 I was at Starbuck Café on 8780 W. Charleston Blvd #105 Las Vegas, NV 89117 and  
14 having a moderates body chemical reaction to my mouth, lungs, and breathing problems  
15 from my 2005 Dodge Ram 2500 5.7 liter V8 Hemi Truck, working on it and chemical  
16 were overwhelm for my breathing and inhaling too much strong odors of the chemical.

17 I had call the 911 dispatcher and told them need some assistance from paramedic.

18 However, two young white males were assistance me with medical attention on the  
19 property of Starbuck parking lots.

20 My breathing were getting real heavy and out of breath and losing some consciousness  
21 from my whole body. My neck were stiffness, and chest was hurting and veins in pain.

22 I had waiting in the emergency room for 4 hours and complaining chest pain and coughing.

23 The nursing were non responses to my need of emergency help and denied me for services  
24 and was deciding to call another paramedic to escort me out Summerlin Hosptial.  
25

1 Spring Valley Medical Hospital for better service medical needs.

2 Male nurse decides to lure me to psychosis ward room in a wheelchair with misbehavior  
3 security guards too. I was telling the supervisor of medical staff were having little chest pain  
4 of chemical reaction due from the truck cleaning previous my arrived in the hospital.

5 They had strap me down with leather padded wrist and ankles shackles to the bed of room.

6 I was advised them were feeling nausea and lightheaded from chemical poison.

7 The nurse began to injection me with( IV needles) into my veins and calmly told her not to do it.

8 Without my consent of performing medical procedures from me and wanting make sure that  
9 my American Indians spiritual beliefs weren't violated anyway shape of form from the medical  
10 staff. The nurse injected me with anti-relaxtion medication to put me to sleep, and while I was  
11 out of conscious and they had ripped out the needles out of my right arm vein and very visible to  
12 see from my distance away and very out of anormal shape and stick out and my vein is painful.

13 Therefore, nurse didn't alert me to see my vein was ruin it and I can rub my hand over it and  
14 feel the vein in a bad shape and useful to perform another emergency (IV needles injection)  
15 in just case heart attack or strokes and can be avoided due to my medical malpractice from  
16 Summerlin Hosptial Medical Center.

17 Whoever, was in charge the procedure is liable for the damages and body harm to my health.

18 I am legally to receive monetary payment due to recursion medical treatment at the facility.

19 Besides the countless bad behavior from medical staff and nursing were unprofessional  
20 team couldn't diagnosed my chemical illness. I will have my day in the court of Native  
21 American Indians Federal Act was violation and crimes were committed by whole staff.
